Significant benefits and features

We believe the most significant benefits of this insurance policy are that it offers cover for losses resulting from an accident that occurs while you are performing voluntary work.

The Policy provides a choice of cover. You can choose any or all of the following types of cover:

- Section A - Capital Benefits
- Section B - Weekly Benefits – Injury
- Section D – Injury Assistance Benefits.

The Policy provides:

- lump sum payments (if you have chosen cover for capital benefits) for accidental death and other listed conditions which result from an injury during voluntary work,
- periodic payments (if you have chosen cover for weekly benefits – injury) to replace income that is lost following an accident which occurs during voluntary work,
- injury assistance benefits (if you have chosen this cover) where the injury occurs during voluntary work.

The Policy does not cover certain things.

Claims may be refused in certain circumstances. Please refer to Voluntary Workers Accident Policy Terms and Conditions which follow this PDS for full details of the terms and conditions of cover and exclusions.

The Policy will not cover you if a claim arises directly or indirectly out of any of the following:

Section A – Capital Benefits

- illness,
- suicide or attempted suicide.

Section B – Weekly Benefits – Injury

- any medical condition for which the insured person has required treatment or advice from a doctor, chiropractor, physiotherapist, naturopath, psychologist or psychiatrist in the 6 months before the commencement date of their cover,
- illness.

Section D – Injury Assistance Benefits

- any medical condition for which the insured person has required treatment or advice from a doctor, chiropractor, physiotherapist, naturopath, psychologist or psychiatrist in the 6 months before the commencement date of their cover,
- illness.

We will not pay for any claim under any section of the Policy if the claim arises directly or indirectly out of any of the following:

- (a) war whether declared or not, invasion or civil war, rebellion or insurrection,
- (b) the use, existence or escape of nuclear weapons material or ionising radiation from or contamination by radioactivity from any nuclear fuel or nuclear waste from the combustion of nuclear fuel,
- (c) any act(s) of terrorism that is directly or indirectly caused by, contributed to by, or in any way involves or is connected with biological, chemical, radioactive, or nuclear pollution or contamination or explosion,

- (g) alcoholism, drug addiction,
- (h) psychotic or psychoneurotic disorders,
- (i) participating in or training for any professional sport,
- (j) being under the influence of intoxicating liquor or drugs unless a registered medical practitioner has prescribed them. We will regard having a blood alcohol reading in excess of the area's legal driving limit as being under the influence of intoxicating liquor.

We will not pay for any claim under any section of the Policy if:

- the insured person is over 80 years of age,
- the insured person is under 12 years of age.

We will not pay any benefit, if its payment would constitute the carrying on of a 'health insurance business' as defined under the Private Health Insurance Act 2007 (Cth) or any succeeding legislation to that Act.

These are only some of the events that are not covered by this insurance. Please read the Voluntary Workers Accident Policy Terms and Conditions which follows this PDS for full details of all relevant policy exclusions.

The amount of any claim made against the Policy may be reduced where an excluded period of claim applies. An excluded period of claim is the number of days after medical treatment by a registered medical practitioner, for which we will not pay any benefits. An excluded period of claim will apply where you have chosen cover for Weekly Benefits – Injury.

Significant risks

This Product May Not Match Your Expectations

This product may not match your expectations (for example, because an exclusion applies). You should read the PDS (Part A of this document) and the Policy Terms and Conditions (Part B of this document) carefully. Please ask your Financial Services Provider if you are unsure about any aspect of this product.

The Policy will not cover some health problems you have before you take out cover. Health problems not covered are those that are chronic or that we think are likely to recur.

Your Sum Insured May Not Be Adequate

To ensure that the amount of insurance is adequate to cover losses in the event of a claim, you should establish an adequate sum insured when initially arranging cover and also take care to amend the sums insured when your situation changes.

If you have chosen cover for Weekly benefits – Injury and you apply for a weekly benefit sum insured that is less than 100% of pre disability earnings your periodic payments will be capped to the weekly sum insured you choose.

If you have chosen cover for Weekly benefits – Injury and you apply for a weekly benefit sum insured that is more than 100% of pre disability earnings your periodic payment will be capped to 100% of pre disability earnings.

Under Insurance

The Policy will pay you 100% of pre disability earnings up to the weekly benefit sum insured you choose.

Overdue Premium

You must pay your premium on time otherwise your Policy may not operate.

If you have not paid by the due date or your payment is dishonoured, this Policy will not operate and there will be no cover.

For more detailed information regarding payment options refer to the section headed 'How you can pay your premium' in Part B (Terms and Conditions).

A Claim May Be Refused

We may refuse to pay or reduce the amount we pay under a claim if you do not comply with the Policy conditions, if you do not comply with your Duty of Disclosure, or if you make a fraudulent claim.

The Cost of this Insurance Policy

The total premium is the amount we charge you for this insurance Policy. It includes the amount which we have calculated will cover the risk, and any taxes and government charges. The premium and any taxes and government charges will be shown on your Policy Schedule.

When calculating your premium we take a range of rating factors into account. These factors, and the degree to which they affect your premium, will depend upon the information you provide to us.

The following factors have a significant impact on the calculation of your premium:

- your insurance history and that of any person to be covered by this Policy
- the number of voluntary workers to be covered by this Policy
- the type of voluntary work
- how often the voluntary work is to be done.

You should arrange your method of payment through your Financial Services Provider. A quote for premium may be obtained from your Financial Services Provider.

Duty of Disclosure – What you must tell us

Under the Insurance Contracts Act 1984 (the Act), you have a Duty of Disclosure. The Act requires that before a Policy is entered into, you must give us certain information we need to decide whether to insure you and anyone else to be insured under the Policy, and on what terms. Your Duty of Disclosure is different, depending on whether this is a new Policy or not.

New business

Where you are entering into this Policy for the first time (that is, it is new business and is not being renewed, varied, extended or reinstated) you must tell us everything you know and that a reasonable person in the circumstances could be expected to tell us, in answer to the specific questions we ask.

When answering our questions you must be honest.

Who needs to tell us

It is important that you understand you are answering our questions in this way for yourself and anyone else whom you want to be covered by the Policy.

If you do not tell us

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel the Policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the Policy as never having worked.

Renewals, variations, extensions and reinstatements

Once your Policy is entered into and is no longer new business then your duty to us changes. You are required before you renew, vary, extend or reinstate your Policy, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under the Policy, and if so, on what terms.

You do not have to tell us about any matter:

- that diminishes the risk,
- that is of common knowledge,
- that we know or should know in the ordinary course, of our business as an insurer, or
- which we indicate we do not want to know.

- **If you do not tell us**

If you do not comply with your Duty of Disclosure we may reduce or refuse to pay a claim or cancel your Policy. If your non-disclosure is fraudulent we may treat this Policy as never having worked.

PART B – POLICY TERMS AND CONDITIONS FOR VOLUNTARY WORKERS ACCIDENT POLICY

Trident Insurance Group Pty Ltd ABN 94 247 973 307, AFS Licence No. 237360 is acting under binding authority given to it by the Insurer. IN arranging and effecting this Certificate, Trident Insurance Group Pty Ltd will be acting under authority given to them by the insurer. They will be acting as agent of the Insurer, not as your agent.

Our agreement with you

This Policy is a legal contract between you and us. You pay us the premium, and we provide you with the cover you have chosen as set out in the Policy, occurring during the period of insurance shown on your Policy Schedule or any renewal period.

The exclusions in the section(s) headed 'When you are not covered' and conditions in the section headed 'General Conditions' apply to all types of cover.

Your Policy

Your Voluntary Workers Accident Policy consists of Part B (Terms and Conditions) of this booklet and the Policy Schedule we give you.

Please read your Policy carefully, and satisfy yourself that it provides the cover you require.

If you want more information about any part of your Policy, please ask us, or your Financial Services Provider.

The address and telephone number of Trident Insurance Group are on your Policy Schedule.

You should keep your Policy Booklet and Policy Schedule together in a safe and convenient place for future reference.

Jurisdiction

This Policy will be governed and construed in accordance with the laws of the state or territory in Australia in which your registered address is located. You irrevocably and unconditionally agree to submit to the non-exclusive jurisdiction of the courts of that state or territory.

How you can pay your premium

You can pay your premium in one annual payment by cash, cheque or credit card.

Paying your premium

You must pay your premium by the due date. If we do not receive your premium by this date or your payment is dishonoured this Policy will not operate and there will be no cover.

How Goods and Services Tax affects any payments we make

The amount of premium payable by you for this policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- (a) not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST.
- (b) registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a Damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number & Taxable Percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.
