Duty of disclosure – what You must tell Us

Under the Insurance Contracts Act 1984 (the Act), You have a Duty of Disclosure. The Act requires that before a policy is entered into, You must give Us certain information We need to decide whether to insure You and anyone else to be Insured under the Policy, and on what terms. Your Duty of Disclosure is different, depending on whether this is a new Policy or not.

New business

Where You are entering into this Policy for the first time (that is, it is new business and is not being renewed, varied, extended or reinstated) You must tell Us everything You know and that a reasonable person in the circumstances could be expected to tell Us, in answer to the specific questions We ask.

When answering Our questions You must be honest.

You have this duty until We agree to insure You

Who needs to tell Us

It is important that You understand You are answering Our questions in this way for Yourself and anyone else whom You want to be covered by the Policy.

If You do not tell Us

If You do not answer Our questions in this way, We may reduce or refuse to pay a claim, or cancel the Policy. If Your non-disclosure is fraudulent, We may refuse to pay a claim and treat the Policy as if it never existed.

Renewals, variations, extensions and reinstatements

Once Your Policy is entered into and is no longer new business then Your duty to Us changes. You are required before You renew, vary, extend or reinstate Your Policy, to tell Us everything You know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to Our decision whether to insure You, and anyone else to be Insured under the Policy, and if so, on what terms.

You have this duty until We agree to renew Your Policy.

You do not have to tell Us about any matter

- that diminishes the risk
- that is of common knowledge
- that We know or should know in the ordinary course of Our business as an insurer, or
- which We indicate We do not want to know.

If You do not tell Us

If You do not comply with Your Duty of Disclosure We may reduce or refuse to pay a claim or cancel Your Policy. If Your non-disclosure is fraudulent We may treat this Policy as never having worked.

Even after the cooling-off period ends, You still have cancellation rights however Your Financial Services Provider may deduct certain amounts from any refund for administration costs or any non- refundable taxes.

Providing proof

So that Your claim can be assessed quickly You should keep the following:

- Receipts or other confirmation of purchase, and
- valuations.

We may ask You for these if You make a claim. You must be able to prove to Us that You have suffered a loss that is covered by this Policy before We will pay You for it.

We may ask You for these if You make a claim.

Costs of dismantling, diagnosis and reassembly

In addition to the obligations contained in the Section 'Your duty to co-operate', where You make a claim for loss or Damage to Your Vessel, We may in some circumstances, require You to:

- dismantle Your Vessel; or
- authorise Us to dismantle Your Vessel, so We can assess Your claim to determine the relevant loss or Damage and/or decide if Your claim is valid

If You do not agree to this We may refuse to assess or pay Your claim.

Where We determine that the claimed loss or Damage to Your Vessel is:

- not covered by Your Policy, You will be responsible for the above dismantling costs as Well as any costs associated with the dismantling (including but not limited to any diagnosis, reassembly, repair and/or replacement costs).
- covered by Your Policy, We will settle Your claim in accordance with the terms and conditions of Your Policy.

Other party's interests

You must tell Us of the interests of all parties (e.g. financiers, owners, lessors) who will be covered under this Policy. We will protect their interests only if You have told Us about them and We have noted them on Your Policy Schedule.

How You can pay Your Premium

You can pay Your Premium;

1. in one payment by cheque, credit / debit card or bank transfer
2. by monthly instalments if this option is offered

Paying Your Premium

You must pay / arrange to pay Your Premium by the due date. If We do not receive Your Premium by this date or Your payment is dishonoured this Policy will not operate and there will be no cover.

Overdue Premium

You must pay Your Premium on time otherwise Your Policy may not operate.

If You have not paid by the due date or Your payment is dishonoured, this Policy will not operate and there will be no cover.

Preventing Our right of recovery

If You have agreed not to seek compensation from another person who is liable to compensate You for any loss, Damage or liability which is covered by this Policy, We will not cover You under this Policy for that loss, Damage or liability.

How Goods and Services Tax (GST) affects any payments We make

The amount of Premium payable by You for this Policy includes an amount on account of the GST on the Premium.

When We pay a claim, Your GST status will determine the amount We pay.

When You are:

- a) not registered for GST, the amount We pay is the sum Insured/limit of Indemnity or the other limits of insurance cover including GST;
- b) registered for GST, We will pay the sum Insured/limit of Indemnity or the other limits of insurance and where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a Damaged item Insured under the Policy) We will pay for the GST amount.

We will reduce the GST amount We pay for by the amount of any input tax credits to which You are or would be entitled if You made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through Your Business Activity Statement (BAS).

You must advise Us of Your correct Australian Business Number & Taxable Percentage. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured/Limit of Liability or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

We will (where relevant) pay You on Your claim by reference to the GST exclusive amount of any supply made by any business of Yours which is relevant to Your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

How much We pay – Loss of or Damage to Your Vessel

If Your Vessel is Accidentally Damaged or stolen the basis of claims settlement shall be:

Total loss

In the event of a Total loss of the Vessel, We will, at Our option:

- pay the amount of loss or Damage up to the sum insured or its Market value, whichever is the lesser, if the words 'Market value' are shown in the Policy Schedule.
- Replace Your Vessel with a new Vessel of the same make, specifications, model or series so long as it is available in Australia and provided that it is less than 12 months old. We will also pay any registration and/or stamp duty costs applicable.

Partial Loss

In the event of a partial loss, We will pay for the reasonable costs of repair or replacement up to the sum insured for that item. If an item is Damaged beyond repair, the amount that We will pay is limited to the actual value of the item considering its age and condition. If the item is less than one year old, We will not apply depreciation in determining the amount paid to You. Any lost or Damaged parts will become Our property.

All Losses

In the event of a claim, the maximum amount We will pay You for each item lost or Damaged is the agreed sum insured for that item. If specified by You and noted on the Policy Schedule, there is an

agreed sum insured for each of:

- the Hull
- the Motor(s)
- Sails masts, spars, standing and running rigging
- Trailer; and
- Equipment and accessories

Individual items of Equipment and accessories have an agreed sum insured where specified by You.

These agreed sum insured values will be shown on Your Policy Schedule.

Where You have not specified a separate sum insured for either a part of the Vessel as above, or an individual item, then the maximum We will pay is the current Market value of that part or item.

However, the maximum amount payable will not exceed the Total sum insured under any circumstances. Any amount payable will be reduced if the total Market value of the Vessel including all items listed above exceeds the Total sum insured shown in the Policy Schedule by more than 20%. The amount payable will be reduced in proportion to the difference between the Market value of the whole Vessel and the Total sum insured.

We will, at Our option:

- repair or replace the item involved, or
- pay You the reasonable cost of repairing or replacing the item involved, or
- pay You the sum insured (where specified) of the item involved and take ownership of any Salvage, or
- pay You the current Market value of the item (where there is no agreed value) and take ownership of any Salvage.

When We decide either to replace an item, or to pay the cost of replacing an item, then depreciation may apply and the amount payable is determined by:

- comparing the value of an item with an item of similar age and condition, or
- establishing the actual cost of an item of similar age and condition.

When We take the option of repairing an item, the amount that We pay is limited by the actual value of the item being repaired compared with its age and condition.

If Your Vessel is less than one year old and is deemed a Total Loss, We will consider the value of a new vessel of the same or similar make and model available in Australia in determining the amount paid to You.

New for Old

We may replace new for old on mechanical and electrical components of the Motor up to 5 years of age, which cannot be satisfactorily repaired up to the Motor sum insured.

We will pay up to \$200 to replace Children's toys if these are Accidentally Damaged as a result of their use or enjoyment whilst on board Your Vessel.
